Students who make later applications to the fund will receive an award notice as soon as an assessment has been made.

We will also communicate to all unsuccessful students informing them of the reasons for the College's decision.

Changes in Circumstances.

Students may submit further evidence should a change occur in their circumstances which may result in them being assessed for a higher level of assistance. Except for Vulnerable Bursary students and where eligibility for Free College Meals has been identified, all other further awards will be subject to availability of funding. Students are also required to disclose any change in circumstances – personal, financial or educational that may make them ineligible for funding.
