

Over the summer we want you to immerse yourself in some subject related tasks that will get you ready for your new course in **Equine**.

The below activities have been designed to keep you up to date with latest developments in **Equine** and come to college in September with some ideas and information to share with your new classmates and lecturers.

We do not require that you produce much physical work but we encourage you to keep some notes, perhaps a diary and where relevant take some photographs on your phone as a way of retaining what you have learnt.

Summer Challenge

This summer, we want you to join us on Instagram and demonstrate your enthusiasm, curiosity, commitment, and creativity. Over the next 6 weeks we would like you to complete a range of small tasks. These are set out below and we suggest you spread them out over the summer holiday period and we would like you to share your responses by posting to our Instagram page.

What's required?

1. You must create a new Instagram account, one that is solely dedicated to your Equine course and college life.

The name you choose should be **easily identifiable** as a Plumpton equine student and your account bio must include '**Plumpton College Equine Student**'.

We **strongly recommend** that you make your account private and only accept 'follow' requests from other Plumpton students, Plumpton affiliated Instagram accounts and other equine enthusiasts.

2. Your new account should be dedicated to your course, please **do not** use this as a personal account - it should only be used for Equine related content and opinions. Think of how you present yourself on social media as this can impact on opportunities in the future.

3. You must follow the Equine course Instagram account so we are able to set the weekly tasks and monitor your progress by 'tagging us' in your post. **#summer challenge 2021**

4. Be respectful. Only use the DM function (Direct messaging) to get know your new classmates. Be positive, professional but most importantly... **Nice!**

Follow us here

Task 1

So... for your first task we want you to document what equine related activity you've been up to this summer. Include a photo, some info on the activity, comment on the experience and post it on Instagram. We want to know about it!

Task 2

Share a photo of a rider who inspires you the most and in no more than 30 words say why they inspire you?

Task 3

Share an 'action photo' of your favourite horse in action and in no more than 20 words say a little about the photo and why you have chosen it.

Task 4

Choose one of the 'latest innovations' from any part of the equine industry and in no more than 30 words say why you have chosen this.

If you have any concerns or issues please contact: David.lamb@plumpton.ac.uk. **Have Fun !!**
