

2022/23 Equipment List for Students Further Education 14-16 and 16+

Please view your particular course within this document for equipment you may be required to purchase ahead of your start date and some equipment you may be required to purchase after you start and throughout your course.

LA Clothing

The college has a supplier where you can access a wide range of the clothing in this document. [Click here to access the LA Clothing website](#). It is not a requirement for you to re-purchase items you already have (i.e. if steel-toe cap boots are required), or if you feel you can source these from a cheaper supplier. Please note, it is free to return items to LA Clothing, but return postage fees are not covered.

Facility Fee

Each student studying a full-time programme will be expected to pay a facility fee of **£120**. Some of the services included are: student wellbeing services, college wi-fi, lockers and sport facilities on campus.

14-16 Students

The Education Pathways students (14-16-year olds) need the essential equipment listed on the usual curriculum area pages for the course they are studying.

Laptops & Tablets

We are now requiring all students to have a laptop on a 1-to-1 basis to facilitate flexible learning around the campus and at home.

We recognise that not all of our students will have access to a laptop or device and if you meet certain criteria, we will be able to supply a laptop from our loan pool or a device via our bursary scheme.

Please contact helpdesksupport@plumpton.ac.uk for more information.

There are also desktop drop-in rooms and self-service laptop lockers around the campus which can also be utilised during the day.

You can find out more on our [website under information for New Students](#).

Adventure Education and Sport

Full purchase of equipment and uniform for Adventure Education and Sport are not required for the first day of your course but they will be required throughout your course. Your course tutor will advise you in advance when you may require these additional uniform items.

Most equipment can be sourced from reputable outdoor clothing suppliers such as Millets, Sports Direct, Cotswold Outdoor etc.

Essential equipment and uniform for L2 & L3 Sport & Adventure programmes:

- Waterproof jacket and trousers (c.£50 upwards each item)
- Walking boots (c.£40 upwards)+
- Fleece, long sleeve (c.£20 upwards)
- Day rucksack (min 35l) (c.£30)
- Warm hat and gloves (c£20 each upwards)
- Sports Hall Trainers (c.£30 upwards)
- Shorts/tracksuit/ (c£30 upwards)
- Water bottle (c £5 upwards)
- Moulded/studded boots (Sport students only) (c.£30 upwards)

Recommended equipment Adventure students only:

- Wetsuit (college can supply)
- Wetsuit boots (college can supply)
- Water sports cag (college can supply)
- Drybag (80l) c.£30

Classroom recommended equipment:

We ask that all students come prepared to study for their theory lessons with:

- Paper A4 pad
- A4 lever arch file
- Extra wide file dividers
- Sketching pens, pencils, rulers
- Notebook/exercise book
- Calculator
- Laptop/tablet

Our approved supplier of college branded clothing is LA Clothing. Here you will be able to purchase some of the course specific clothing. Please note that not all clothing, such as specialist items and equipment can be purchased here. If you already own some of

the equipment listed, we do not require you to repurchase through our own supplier. www.laclothing.co.uk/PlumptonCollege

Agriculture

Essential equipment and uniform for all levels:

- Work overalls from-**£28**
- Steel toe capped boots from-**£17**
- Safety Wellington boots from-**£18**
- Full waterproof wet weather clothing from-**£18**

Classroom recommended equipment:

We ask that all students come prepared to study for their theory lessons with:

- Paper A4 pad
- A4 lever arch file
- Extra wide file dividers
- Sketching pens, pencils, rulers
- Notebook/exercise book
- Calculator
- Laptop/tablet

Our approved supplier of college branded clothing is LA Clothing.

Here you will be able to purchase some of the course specific clothing. Please note that not all clothing, such as specialist items and equipment can be purchased here. If you already own some of the equipment listed, we do not require you to repurchase through our own supplier. www.laclothing.co.uk/PlumptonCollege

Animal Management

Essential equipment and uniform:

- Navy blue work overalls
- Steel toe capped boots (dark colour)
- Waterproof wet weather clothing
- Tunic, navy with red piping (see below on how to purchase)
- 14-16 programme students can opt to purchase the same tunics or a blue lab coat.

Item	Cost from LA Clothing	Could I use a different stockist for this?
Overalls	£28.22	Yes – these do not need to be branded. Any blue overalls are acceptable.
Tunic	£34.07	No – LA clothing is the only supplier of this item
Boots	£17.96	Yes – any steel toe capped boots with ankle cover/protection are acceptable.
Total cost	£80.25	Although boots and overalls can be obtained elsewhere for less cost.

Classroom recommended equipment:

We ask that all students come prepared to study for their theory lessons with:

- Paper A4 pad
- A4 lever arch file
- Extra wide file dividers
- Sketching pens, pencils, rulers
- Notebook/exercise book
- Calculator
- Laptop/tablet

already own some of the equipment listed, we do not require you to repurchase through our own supplier. www.laclothing.co.uk/PlumptonCollege

Blacksmithing and Metalwork

Essential equipment and uniform:

- Steel toe capped boots (£10-50)
- Padlock (for lockers, 6 mm diameter hasp) (£5-15)
- Ear defenders (£5-20)
- Safety goggles (£5-15)

An overall or equivalent will be supplied when you begin your course at Plumpton College.

Not mandatory, but recommended equipment:

- 700mm Long tool box (or equivalent size ex-army ammunition box)
- 2lb Ball pen hammer with wooden handle
- 150mm Heavy duty centre punch
- 150mm Engineers square
- 150mm Spring dividers
- 150mm Outside callipers
- 600mm/2ft Folding steel/brass rule
- 5mtr Expanding steel tape measure
- Leather apron

Classroom recommended equipment:

We ask that all students come prepared to study for their theory lessons with: (Please make note of highlighted essentials for Blacksmithing and Metalwork).

- Paper A4 pad
- A4 lever arch file
- A4 tracing paper
- Extra wide file dividers
- A3 paper
- Basic geometry set (with a compass)
- 30 cm ruler
- Sketching pens, pencils, rulers
- Notebook/exercise book
- Calculator
- Laptop/tablet

Material and consumable fees: Blacksmithing & Metalwork

We are hugely proud of our department and we work hard to achieve great results and successes for our students. To maintain these standards and uphold the College and Departmental values, we invest in the highest quality resources and equipment for your studies. We need to ask for a percentage of this cost from students and their guardians to ensure we continue to give students the best possible experience.

Whilst we heavily subsidise these costs, with the global rises in the price of fuels and raw materials, unfortunately, as a significant consumer of these materials we have had to incorporate these new costs into our fees this year.

The Materials Fees for **each** year of study on your course are:

Blacksmithing and Metalwork	£700
-----------------------------	------

Payment Options

Following your enrolment, an invoice will be issued, complete with instructions on how to make payment in full, or alternatively set up an instalment plan. The standard instalment plans are as follows:

Monthly – 7 equal monthly instalments, to be collected on the following dates:

01/09/22 to 01/03/2023

OR Termly - 3 equal instalments, to be collected on the following dates:

01/09/22 – 02/01/2023 – 01/04/2023

If you feel neither of these standard plans are viable for yourself, we offer a third non-standard option, whereby we add some earlier (i.e. pre-September) monthly instalments prior to enrolment, spreading the cost over a greater number of months. If you would like to set up a non-standard payment plan on this basis, please use this link to supply your contact details and we will be in contact to arrange this – [Payment Plan Request](#). If you will find it difficult to meet these costs you may be able to apply for a bursary – please find details about this - [Here](#).

Our Fees Policy states:

Where courses require material/consumables which are essential to complete your study, this will be included in the price of your course fees or, if your course is fully funded, this will be included in the funding. In some cases, the College makes an extra equipment/consumable charge when the student has the opportunity during the course to take work projects away. This will apply to all students, regardless of their fee assessment.

Dog Grooming

We have sourced x2 different price-point full kits per each level from Mutneys Professional Pet Care Ltd.

Classroom recommended equipment:

We ask that all students come prepared to study for their theory lessons with:

- Pens
- Notebook/exercise book
- Laptop/tablet

Payment Options

Following your enrolment, an invoice will be issued, complete with instructions on how to make payment in full, or alternatively set up an instalment plan. The standard instalment plans are as follows:

Monthly – 7 equal monthly instalments, to be collected on the following dates:
01/09/22 to 01/03/2023

OR Termly - 3 equal instalments, to be collected on the following dates:
01/09/22 – 02/01/2023 – 01/04/2023

If you feel neither of these standard plans are viable for yourself, we offer a third non-standard option, whereby we add some earlier (i.e. pre-September) monthly instalments prior to enrolment, spreading the cost over a greater number of months. If you would like to set up a non-standard payment plan on this basis, please use this link to supply your contact details and we will be in contact to arrange this – [Payment Plan Request](#). If you will find it difficult to meet these costs you may be able to apply for a bursary – please find details about this - [Here](#)

Material and consumable fees: Land Based Engineering & Motor Vehicle

We are hugely proud of our department and we work hard to achieve great results and successes for our students. To maintain these standards and uphold the College and Departmental values, we invest in the highest quality resources and equipment for your studies. We need to ask for a percentage of this cost from students and their guardians to ensure we continue to give students the best possible experience.

Whilst we heavily subsidise these costs, with the global rises in the price of fuels and raw materials, unfortunately, as a significant consumer of these materials we have had to incorporate these new costs into our fees this year.

The Materials Fees for **each** year of study on your course are:

Agricultural Engineering/Land-Based Service Engineering	£150
Motor Vehicle	£150

Payment Options

Following your enrolment, an invoice will be issued, complete with instructions on how to make payment in full, or alternatively set up an instalment plan. The standard instalment plans are as follows:

Monthly – 7 equal monthly instalments, to be collected on the following dates:

01/09/22 to 01/03/2023

OR Termly - 3 equal instalments, to be collected on the following dates:

01/09/22 – 02/01/2023 – 01/04/2023

If you will find it difficult to meet these cost you may be able to apply for a bursary – please find details about this - [Here](#)
