

PLUMPTON
COLLEGE

2024/25 EQUIPMENT LIST FOR 14-16, FOUNDATION LEARNING AND 16+ STUDENTS

Please view your particular course within this document for equipment you may be required to purchase ahead of your start date and some equipment you may be required to purchase after you start and throughout your course.

Our approved supplier of college branded clothing is LA Clothing

With LA Clothing, you will be able to purchase some of the course specific clothing. Please note that not all clothing, such as specialist items and equipment can be purchased with LA Clothing.

If you already own some of the equipment listed, we do not require you to repurchase through our own supplier: www.laclothing.co.uk/plumptoncollege

Facility Fee

Each student studying a full-time programme will be expected to pay a facility fee of £150. This fee assists in providing non-educational facilities, including student enrichment and wellbeing activities, Sports and Social Club membership, minibuses, IT support, onsite car parking facilities, and free use of onsite lockers.

14-16 Students

These students will need the essential equipment listed on the usual curriculum area pages for the course they are studying.

Laptops & Tablets

If you do not own a laptop that you can bring into college, then laptops can be loaned daily for use onsite only, from the self-service lockers in the Library and other areas around the college.

The following equipment will be supplied to you when you start your course (included in materials fees):

- Goggles
- Dust masks
- Ear defenders
- Fire retardant overalls

We ask that all students come prepared to study for their theory lessons with:

- Paper A4 pad
- A4 lever arch file
- Extra wide file dividers
- Sketching pens, pencils, rulers
- Notebook/exercise book
- Calculator
- Laptop/tablet

MATERIAL & CONSUMABLE FEES:

We are hugely proud of our department and work hard to achieve great results and success for our students. We invest in the highest quality resources and equipment for your studies to maintain these standards and uphold the College and Departmental values. We need to ask for a percentage of this cost from students and their guardians to ensure we continue to give students the best possible experience.

Whilst we heavily subsidise these costs, with the global rises in the price of fuels and raw materials, unfortunately, as a significant consumer of these materials, we have had to incorporate these new costs into our fees this year.

The materials fees for each year of study on your course are: **£150**

Payment Options

Following your enrolment, an invoice will be issued, complete with instructions on how to make payment in full or, alternatively, set up an instalment plan. The standard instalment plans are as follows:

Monthly – 7 equal monthly instalments, to be collected on the 1st of September and March.

OR Termly - 3 equal instalments, to be collected on the 1st of September, January and April.

If you feel you need more than these standard plans to be viable for yourself, we offer a third non- standard option, whereby we add some earlier (i.e. pre- September) monthly instalments prior to enrolment, spreading the cost over a greater number of months.

If you would like to set up a non-standard payment plan on this basis, please contact the finance team at accounts@plumpton.ac.uk or 01273 890454 to discuss.

BLACKSMITHING & METALWORK

Essential equipment and uniform:

- Steel toe capped boots (£10-50)
- Padlock (for lockers, 6 mm diameter hasp) (£5-15)
- Sturdy jeans / work trousers
- Metal toolbox (c.700 mm long)

We ask that all students come prepared to study for their theory lessons with:

- Paper A4 pad
- A4 lever arch file
- A2 folder for carrying drawings
- Basic geometry set (with a compass)
- 30 cm ruler
- Sketching pens, pencils, rulers
- Notebook/exercise book
- Calculator
- Laptop/tablet

We invest in the highest quality resources and equipment for your studies to maintain these standards and uphold the College and Departmental values. We need to ask for a percentage of this cost from students and their guardians to ensure we continue to give students the best possible experience.

Whilst we heavily subsidise these costs, with the global rises in the price of fuels and raw materials, unfortunately, as a significant consumer of these materials, we have had to incorporate these new costs into our fees this year.

The materials fees for each year of study on your course are: **£750**

Payment Options

Following your enrolment, an invoice will be issued, complete with instructions on how to make payment in full or, alternatively, set up an instalment plan. The standard instalment plans are as follows:

Monthly – 7 equal monthly instalments, to be collected on the 1st of September and March.

OR Termly - 3 equal instalments, to be collected on the 1st of September, January and April.

If you feel you need more than these standard plans to be viable for yourself, we offer a third non- standard option, whereby we add some earlier (i.e. pre-September) monthly instalments prior to enrolment, spreading the cost over a greater number of months.

If you would like to set up a non-standard payment plan on this basis, please contact the finance team at accounts@plumpton.ac.uk or 01273 890454 to discuss.

Our Fees Policy states:

Where courses require material/consumables which are essential to complete your study, this will be included in the price of your course fees or, if your course is fully funded, this will be included in the funding. In some cases, the College makes an extra equipment/consumable charge when the student has the opportunity to take work projects away during the course. This will apply to all students, regardless of their fee assessment.

DOG GROOMING

You will require all the equipment listed below from Clippit, a biothane groomers kit and scissors to complete the course. You are welcome to source any of the equipment from other suppliers or via second hand avenues.

There are three options for the kit list, supplied by Clippit. Please email paula@clippit-grooming.com to place your order. Do not order online as you will not receive the student discount. (Scissors are not provided in this kit, please see below for instruction as to where you can purchase the scissors).
