a Better You

# Start Becoming

## **Course Viability**

Please note that all of our courses are subject to a minimum number of students. If we find that a course has insufficient numbers, we will do our utmost to make your course viable. This may either involve a higher fee, reducing the length of your course or combining with another course. We will only cancel a course if absolutely necessary and you will receive a full refund.

## **Equality and Diversity**

We actively welcome and encourage applications from all students in the community who achieve the required standard for each course. There are no barriers or restrictions and our focus is on access and progression.

## **Do you need this prospectus in a different format?**

Whether in large print or a different language, get in touch with us on 01273 890454 and we'll be happy to help.

# Welcome from the Principal

There's never been a better time to work and train in the land-based industry and at Plumpton College. Skills within the land-based sector are in more demand than ever before, with plenty of inspirational career opportunities available to our students and the future of the entire rural community.

As one of the leading independent providers of land-based education and training in the country, you'll find us a fantastic place to study, enjoy and challenge yourselves.

Whether you're looking to enhance your current working skills, improve your career potential or discover a new personal interest, we've got an extensive variety of courses to inspire you and at a range of locations to suit you, from the stunning backdrop of the South Downs, to one of our other sites in Flimwell, Netherfield or Brighton.

The success of our students is at the forefront of everything that we do and with outstanding facilities, excellent teaching and superb support from dedicated staff, we're well-placed to help you realise your potential.

What are you waiting for? Get in touch today or come along to one of our taster or course information days and discover how we can help you.

Jeremy Kerswell  
Principal

# Discover Plumpton College

## **Plumpton College**

Our beautiful 800-hectare estate is the location for our main college site, right in the heart of the South Downs National Park. With a wealth of practical and demonstration facilities, including our excellent winery and the perfect environment to study, you'll be spoilt for choice. You can choose to study both full-time and part-time plus our range of courses are individually designed to be employer focused.

## **Flimwell**

Discover our Woodland Enterprise Centre in Flimwell, surrounded by 20 hectares of woodland with broad-leaved trees, conifers and coppices. The ideal base for our Centre for Sustainable Food, Farming and Forestry, come and choose from our excellent range of forestry and woodland management short courses and NPTC accredited training. This perfect location is also available for hire, so why not consider booking Flimwell for your business events and family celebrations (see page 85).

## **Stanmer Park**

Come and visit our specialist horticulture centre, ideally located on the outskirts of Brighton; a fantastic practical environment for you to develop your skills. Extensively equipped with glasshouses, palm house, beautiful decorative areas and lawns, ponds, fruit and vegetable gardens – Stanmer is ideal to complement your studies. There is also a laboratory and tissue culture facility for micro-propagation of orchids and shrubs.

## **Netherfield**

Our longest established Out Centre, Ivyland Farm is a small farm, just 3.5 miles from Battle in East Sussex. The ideal location for a range of courses, from one-day through to full time Level 2, you'll benefit from the practical experiences and great learning environment that you'll enjoy at Netherfield.

## **Snowdonia**

With excellent facilities for outdoor education, Snowdonia is a brilliant location if you're looking for a perfect practical learning environment to complement your studies. Choose from a wealth of agriculture, countryside, fishery and game management courses. Snowdonia students also benefit from access to our 30-bed hostel.

# Course Fees

The fees shown in this prospectus include tuition, registration and assessment costs unless specified otherwise. The fee is payable by the student and either represents the total cost (without government subsidy) or in cases where students are in receipt of Job seekers allowance or Income support, a further reduction may be applicable.

## **We accept the following methods:**

**Credit/Debit Cards** – Please fill out your details on the back of your application form or alternatively call 01273 892 035 to pay over the phone. Please note that we do not accept cheques or American Express.

**Instalments** – We offer two options:

15% deposit followed by 6 further instalments for 1-year courses over the value of £1000

25% deposit followed by 3 instalments for courses running over 10 weeks and costing over £300

**Internet Banking** – Please ensure that your outstanding balance is paid within 10 days of your statement date.

**Payment Via Employer** – Please tick and complete payment details for the employer on the reverse of your application form. An invoice will be sent to your employer after you have enrolled and will be payable within 30 days.

**\*Online payment will soon be available for some courses from 2016/2017**

## **Bursary Funds**

If you're on a low income (annual household income less than £20,000), we may still be able to help you towards costs for some part-time courses.

## **Childcare**

We may be able to help with childcare costs – please get in touch for details.

# Course Fees

## **Refunds and Cancellation Policy**

In the unlikely event that your course is cancelled, we will refund your fees. However, if you choose to cancel or withdraw from your course, full fees are payable. If you've already paid, you will not be entitled to a refund unless there are extenuating circumstances.

## **Advanced Learner Loan**

We offer a loan system similar to that of the Students Loan Company in Higher Education. Loans are not means tested. You'll need to have been a resident in the UK for three years. Repayments don't start until you're earning over £21,000 pa.

In order to receive the loan you must be:

1. 24 years or older at the start of your course and studying a Level 3 qualification or above  
*or*
2. Between 19 and 24 years old, studying at Level 3 or above, having previously studied at Level 3

To find out more, visit [www.gov.uk/advanced-learning-loans](http://www.gov.uk/advanced-learning-loans) or get in touch with our Student Finance Officer on 01273 892 102 (or email [duffinp@plumpton.ac.uk](mailto:duffinp@plumpton.ac.uk)).

Please note that all financial information is correct at time of going to press and is subject to change with new government initiatives.

A close-up, low-angle shot of a red tractor in a field. The tractor is the central focus, with its large, treaded rear wheel on the left and its front wheel on the right. The tractor's body is painted in a vibrant red with black accents. The background shows a soft, golden sunset sky over a dark, plowed field. The overall mood is serene and industrious.

*"The course was really beneficial in enforcing safe working practices and we have seen a real improvement in the efficiency and performance in the workplace of individual staff that have attended."*

# Apprenticeships/Traineeships

## **Is an Apprenticeship for you?**

Apprenticeships are nationally recognised qualifications that you can achieve during work-based programmes. This means you can learn the skills you need for your chosen profession while earning a wage at the same time. You'll usually come to college one day per week for between 12-24 months, depending on the qualification.

### **Choose from:**

Agriculture, Animal Care, Butchery, Floristry, Horse Care, Horticulture, Land-Based Service Engineering, Veterinary Nursing

### **What do you need?**

You'll need to be in full-time employment for a minimum of 30 hours per week. Ideally you'll have achieved English and Maths GCSEs at A-E grade or equivalent. If you've got previous industry experience, we'll also take this into account. This doesn't apply to Veterinary Nursing.

## **Is a Traineeship for you?**

If you're 16-24, unemployed and qualified below Level 3, a Traineeship could be for you. Lasting between six weeks and six months, these are ideal if you want to go on to study an Apprenticeship or find a job that you don't have the appropriate skills or experience. You'll get the essential English, Maths and work experience that you need to make you successfully 'work ready'.

### **How does it work?**

You'll attend a work placement for two to three days per week; gaining invaluable experience in your chosen industry. You'll also attend work preparation training for one day a week; learning employability and functional skills in English and Maths if needed.

### **Choose from:**

Agriculture, Animal Care, Butchery, Equine, Floristry, Horticulture, Machinery, Wine

# Educational School Visits for Key Stage 1-4

What can be more exciting than discovering the sights, sounds and experiences of a working farm; meeting sheep, pigs, organic beef herd and dairy herd in their own habitats? At Wales Farm and Estate at Plumpton College, we have an excellent mixed farm with a wide range of facilities. Students and adults will gain hands-on experience; learning where their food comes from.

Through our well-established programme of farm-based activities, our dedicated and enthusiastic staff cover topics such as care of animals, countryside, habitat studies, identification of trees, planting, growing and germination, and wildlife monitoring.

We ensure that your visit is fully tailor-made to meet the individual needs of your students. Our wide range of topics and activities means that we're able to embed subjects such as English, Geography, History, IT, Maths and Science; creating experiences that will inspire young minds and be a day to remember for all concerned.

Course Duration – Day visit

Time – 10.00 - 14.00

We also offer CPD Training opportunities for teachers, teaching assistants and outdoor educators throughout the year.
