

GROW WITH US!

PRODUCTION MANAGER (WINE & CIDER PRODUCTION)

Haygrove Evolution Ltd, award winning producers of Sixteen Ridges Wine and Once Upon A Tree Cider & Perry are seeking a **Production Manager** to join the dynamic team based at their new winery in **Ledbury, Herefordshire**.

US

A growing new business, Haygrove Evolution was established in 2015. We are artisan producers of wine and cider for our own brands and under contract for local growers. We offer an extended range of vine and wine services including vine consultancy and management, vine supply and propagation.

The business originated in 2001 as 'Vine and Wine Ltd' offering vineyard consultancy and vine supply. This was followed by the conception of 'Once Upon a Tree' our cider and perry brand in 2007. In 2013 the business expanded to produce a new range of premium still and sparkling wines under the brand Sixteen Ridges. Haygrove Evolution was born.

We are part of the dynamic and fast growing Haygrove group. A family business which has become a world leader in fruit growing and crop protection systems across 40 countries.

THE PACKAGE

We offer a competitive salary with on the job and professional training opportunities, 23 days pa holiday, and the opportunity to be part of a successful business with a determined vision for growth.

YOU

Keen to make your mark in the UK wine and Cider industries. You are organised; a self-starter with strong communication skills both written and verbal. Happy to work alone or to lead a production team. Experience of a production environment and / or training in wine or cider production would be an advantage. A natural interest and curiosity in the production process and our products is essential.

THE ROLE

Reporting to the Production Director you will be responsible for the day-to-day operation of the winery, including: co-ordination of production work schedules in a safe and efficient manner; that all records are maintained with utmost accuracy; all staff are trained, organised and motivated. Quality control is paramount and therefore your role will be to ensure a tidy, organised, visual and safe working environment.
