COLLEGE

Awards Ceremony
**CLASS
OF 2022**

FRIDAY 17TH JUNE 2022

Julie Dougill,
Chair of Governors

It gives me great pleasure to be a part of this Awards Ceremony to celebrate and congratulate all of our students on their achievements at college.

I have witnessed firsthand the hard work, commitment, and determination put in by all of our students to succeed. This is your day to celebrate those achievements with your family, guardians, friends, and teachers.

I wish you every success in either your chosen future career or other courses you may continue to study. We are proud of you all, and please remember that you will always be a part of Plumpton College.

Jeremy Kerswell,
Principal

A warm welcome to all students, parents and guardians joining us today at our Awards Ceremony, celebrating those who have completed their qualifications with us this year. The class of 2022!

I hope you all have an enjoyable day, take a moment to reflect on what you have achieved over the past year, and feel rightly proud of that. I am certainly proud of all of you.

For those who are at the end of their Plumpton journey, I am delighted that you will become an important part of our Plumpton Alumni. We welcome the chance to stay in touch with you and hear what you're up to in the months and years to come, and there will also be exclusive offers for you to continue to be a part of the college and access training in the future.

FLORISTRY

A close-up photograph of a hand holding a bouquet of roses. The image is heavily overlaid with a semi-transparent pink color, which serves as a background for the text. The hand is visible on the left side, holding the stems of the flowers. The roses are in various stages of bloom, with some showing detailed petal patterns. The overall composition is artistic and focuses on the texture and form of the flowers and the hand.
