

WELCOME TO FOUNDATION PROGRAMMES

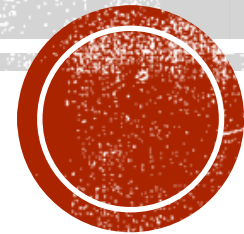

WELCOME

- We are delighted that you will be joining the Foundation Programmes provision at Plumpton College
- Our Foundation Programmes Courses are for learners like yourself who would benefit from an individualised approach supporting you into the next step of your education, be it developing independence, or vocational skills.
- All of our lecturers will enable you to make the most out of your time here and prepare for your future progression, independence and employment. You will learn the skills you need to move onto the right course for you.
- Our provision as well as learning independence and vocational skills gives you the opportunity to improve your English and maths, learn new strategies to work with others and develop resilience.
- Before you start your course there will be a chance to get to know the team at our welcome event as well as at induction at the beginning of September. Please complete these learning tasks to help prepare you for your course and for us to get to know you a little before you start. See you in September.

ORIGINS: THE PREQUEL

Your backstory

WELCOME TO PLUMPTON

Thanks for coming by. We, like any other college, have a back story. Ours begins in 1926, where... Actually no. We want to know your back story!

In this exercise you will have to plot your backstory as a Hollywood Blockbuster! Don't worry, you won't have to pay all the actors, etc.

This will help us get to know you before you arrive with us fully in September. Be as creative as you can! You might even get a chance to film it!

Feel free to add colour and pictures!

Best picture will receive a nomination for an award. Details available on request!

The next few slides will help you plot your Origin Story. Let's go!

WEEK 1 - IN THE BEGINNING

This is where you give us some general background details about you. Where you grew up, what you enjoy, etc.

WEEK 2 - CASTING

This is where you tell us who is in your life (what they are like as a person), and what actor might play them on the big screen. You may even get them to star as themselves!

WEEK 3 - PLOT TWIST

This is the part of the story where things change or a big event happens. What would that be? It can be anything you like, real or not!

WEEK 4 - THE END

How are you going to leave your story? Setting yourself up for another film at another point or ready to walk off into the sunset?

WEEK 5 - ANYTHING WE MISSED?

Here is a slide if you need it for anything else you didn't get on here. Are there any facts you want us to know?

WEEK 6 — CHECK YOUR WORK

Check your previous slides, is the spelling sorted? Does it make sense? Are there any areas you could add pictures?

Once you have done all this please email to natasha.allen@plumpton.ac.uk

THANK YOU FOR YOUR STORY!

If you would like any further information or have any feedback please email natasha.allen@plumpton.ac.uk or lesley.edwards@plumpton.ac.uk
