Criminal Convictions

Do you have any relevant Criminal Convictions or Youth Offending Orders?:	Yes		No		
---	-----	--	----	--	--

Having a criminal conviction will not necessarily prevent you taking up a place at Plumpton College. We are keen to support students with criminal convictions to help them succeed within their own learning journey. Please tick **YES** if you have any of the following convictions:

- offences against the person, whether of a violent or sexual nature,
- arson,
- any offences related to extremism and
- convictions for the offences involving the unlawful supply or use of controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking.

You do not have to declare relevant spent convictions (under the rehabilitation of Offenders Act 1974) except when you are applying for a course in teaching, health, social work, sport, childcare or involving work with children or vulnerable adults, as this may affect your ability to attend work placements and possibly achieve your course.
