There are exemptions to this if the individual is offered a post which involves contact with children or regular work at an establishment exclusively or mainly for children.

The post you have applied for falls into this category and, therefore, requires a criminal background check.

If a job offer is made, you will be asked to apply for a DBS Disclosure Certificate. The Disclosure Certificate will contain details of current and "spent" convictions, cautions, reprimands, or warnings held on the Police National Computer, excluding certain specified old and minor offences.

The DBS Disclosure will also indicate whether information is held on government faculty lists of those individuals who are barred from working with children or vulnerable adults (if applicable).

The post-holder cannot begin employment with the College until the DBS Disclosure Certificate is received and considered by the Principal.
